## Information letter

### *Dear colleagues!*

We invite you to a conference regarding the conditions, history and future of psychiatry in different countries with special emphasis on philosophical aspects.

The aim of the conference is to initiate a discussion regarding the conditions, history and future for psychiatry in different countries.

In the programme of the conference are discussions in groups of the problems connected with protection and strengthening of mental health in a changing society.

The conference should be of interest to psychiatrists, other professionals and also to health care decision makers and journalists, especially in countries that presently undergo transition. ([www.who.dk](http://www.who.dk)).

*Working languages of the conference:* English and Russian.

*Place of conference:* Oceanographic Museum.
